LISTING OF U.S. TREASURY COMPANIES ADMITTED IN THE CNMI	31
---	----

The Honorable Benigno R. Fitial
and
The Honorable Members of the Legislature

In accordance with 4 CMC Division 7, Section 7112, I am pleased to present the 2006 Annual Report of the Insurance Commissioner.

This year's report format is slightly modified from previous reports. However, the information contained is essentially the same, if not more informative than prior reports. It includes a listing of admitted insurers and a summary of insurance business transacted in CNMI from all admitted alien, domestic and foreign carriers during the 2006 calendar year.

During the reported year, the Office of the Insurance Commissioner licensed and regulated six (6) alien carriers, thirteen (13) domestic carriers and thirty-nine (39) foreign carriers. New COAs were issued for alien and foreign insurers. No new applications for a domestic insurer were received in 2006.

2006 marked the second year in which surety companies issuing labor bonds are required to retain a certain percentage of premiums collected from the sale of labor bonds into an established escrow account. The retention rate in 2006 was 15 percent (15%). A total of \$196,476 was retained during the reported year.

Direct premiums written for Property and Casualty experienced a 10% decrease to \$25.3 million from \$28.3 million. Direct losses incurred also decreased by 18% from \$11 million in 2005 to \$8.9 million in 2006.

After much effort on the part of the Office of the Insurance Commissioner, the Department of Commerce became a full fledged member of the National Association of Insurance Commissioners (NAIC) in 2006 through a zone grant.

We hope you find this report useful for your purposes.

Sincerely,

JAMES A. SANTOS
Secretary of Commerce /
Insurance Commissioner

RECOMMENDED LEGISLATION

The following are recommendations previously submitted in past reports of the Insurance Commissioner. To date, however, no action has been taken on these recommendations. It is the intent of the Insurance Commissioner to renew legislative interest and initiative in the re-submission.

Capitalization Increase

Pursuant to §7306(h) of the Commonwealth Insurance Act, a domestic insurer need only be capitalized at a minimum of \$25,000 to transact a class of insurance. It is recommended that this minimum be increased to \$100,000 per class to ensure that sufficient and adequate reserves are maintained by an insurer in the event substantial losses are experienced early in its operations.

Reinsurance

Current provisions of the Insurance Act relating to reinsurance are very limited. In fact, current provisions only provide for the admission or approval of reinsurers in the CNMI prior to engaging in business. It is suggested that, in addition to the current provisions, the Insurance Commissioner be granted further authority in requiring reinsurers to file reinsurance treaties and for the Insurance Commissioner to review and approve such filings.
